*To our Customers,*

*We bring light to the landscape, illuminating entryways, paths, and the garden.*

*Our lights are truly revolutionary. These are the next -generation innovative designs which take advantage of LED lighting capabilities, yielding totally new options in outdoor lighting. Temple Garden Lights are beautiful by design. Each one is locally hand-crafted by skilled artisans using natural and sustainably-sourced materials: stone, metal, Brazilian Cherry, high quality art-glass from the Mesolini Glass Studio, on Bainbridge Island.*

*With firm roots in the craftsman's traditions and skills, we aspire to an ethic of beauty, quality, and sustainability. That's our illuminating philosophy!*
